Dear Rick,

My name is Lucy Leriche, and I am the State Representative to the Vermont Legislature for Hardwick, Walden and Stannard. You may remember my parents, Leopold and Jeannine Leriche. They had the big chicken farm on route 15 in Hardwick years ago. I also met you at the Burlington waterfront a few years ago with my partner Todd Deuso who works for Casella.

Anyway, I went your recent show in East Hardwick and enjoyed it immensely. I really enjoyed hearing some of your stories from growing up here. You obviously have not forgotten your roots! I hope you saw the Hardwick Gazette this week. There is a wonderful review in there about your show with a really nice photo. I really just wanted to write to thank you for your generosity in donating the proceeds from that day to local groups here in town, including new steps for the Town House.

It was a joy to hear your music, and even more gratifying to experience your BIG heart!!!
Thanks again,
Rep. Lucy Leriche
